

UNIVERSITY OF NEW HAMPSHIRE AT MANCHESTER

Independent Study

Internship

(please check one)

**Independent Study and Internship courses are available
under conditions outlined below to students enrolled in UNH Manchester degree programs**

Enrollment in these courses is not guaranteed and is not considered a normal part of a student's academic program. Faculty members are not obligated to sponsor Independent Studies or Internships but may elect to do so as they feel it is appropriate. In general, Independent Study and Internship courses are appropriate for students to fulfill a special academic need that is not a part of the UNH/UNH Manchester curricular offerings or to pursue an academic interest not available through regularly scheduled courses. In some cases students needing one or two credits to fulfill program or graduation requirements may be eligible to take these courses.

The student and faculty member will complete this form and forward it to the Associate Dean. The student will be notified in writing about the procedure for registering for the course.

Section I: Student Statement

Instructions to the Student: Please indicate the topics or questions which you would like to explore and state your reasons for wanting to do the independent study or internship. (Use an additional sheet if necessary.)

Name: _____ SS# _____
