

Appreciation Reception for Current Undergraduates who are Veterans

Current UNH Manchester undergraduate students who are veterans are invited to an appreciation reception and informal networking session with your fellow undergraduate students who are veterans of military service. A few UNH Manchester faculty and staff members will be on hand, too. Your reception is **Tuesday, November 10, 2009, 4:15pm-5:45pm on the third floor in the foyer outside the Auditorium.** We are hosting this appreciation reception the day before Veterans Day when we honor all members of military service.

We know that for some of you your service may have been a number of years ago and others of you have only recently completed your service. We appreciate your service to the country and we are interested in meeting you at our appreciation reception. We will tell you about the initiatives underway at UNH Manchester for students who have served in the military. We also want to provide you with an opportunity to meet your fellow students who are veterans of service and share information about the college, courses, or any helpful tips you might share about the new GI bill. The pizza and beverages are on us!

Please let us know you will be attending our appreciation reception by calling or emailing Marisa Sullivan, Academic Counselor, at 603-641-4175 or marisa.sullivan@unh.edu

Sincerely,
